- standard components for tools
- global distribution of components via Fodesco WebShop

FODESCO®
EVERYTHING FOR MOULDS

WWW.FODESCO.FI

**Quality is the cornerstone
of our activities.**

**We create added value
to toolmakers by:**

- Offering competitive solutions in price and quality
- Producing quality parts as blanks or ready components
- Maintaining, monitoring and measuring our precision
- Following and improving our processes
- Keeping our lead times
- Using the latest technologies in our machinery
to provide a competitive edge to toolmakers
